## END OF LIFE ISSUES

Come hear a very important and informative talk by Deacon Brian Callister, M.D. - *End of Life: How to Face the Hard Issues and Feel Good about It — A Catholic Perspective*. With the aging of our population and advances in medical technology, it is critically important to develop a plan to provide a comfortable and compassionate approach to end of life care that is in line with Catholic teaching. With proper education and planning, you will become more at ease and will feel prepared for the inevitable death of yourself or a loved one. Join us on Wednesday, November 15, from 6:30 - 7:30 p.m. at Our Lady of the Snows Church, 1138 Wright St., Reno.

## CATHOLIC CHARITIES

The food pantry at Catholic Charities is seeking donations for their holiday food baskets. Your food donations can be placed in the barrel in the vestibule at OLW. Items needed are: canned vegetables and fruits, instant potatoes and gravy. Help provide food for our hungry neighbors this Thanksgiving holiday.

## HEART OF THE CHRISTIAN SEMINARS

John Coles, PhD is offering another seminar, this time on how to use heartbeat monitors to learn skills of communication with a peaceful attitude in stressful situations. This ancient technique is referred to in the bible and will be reviewed for the newcomers. The scriptures teach that people will know that we are Christians by our love. Let's meet and learn how to strengthen a loving attitude for living in today's world. Our hearts hold the key. All are welcome to come to this session on November 9<sup>th</sup> from 6:30 P.M. to 7:45 P.M. in the Parish Center at Our Lady of the Snows.
