

A Rally Against Violence

April 20, 2018
5:30pm—8:00pm
Reno City Plaza

Join us in remembering lives lost due to recent shootings and violence in the world. Help us work together toward a bright future of non-violence, hope, and peace in our community.

Including a multi-faith peace vigil of song and story, small group work toward non-violence, and community speakers.

"Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that."

~ Martin Luther King, Jr.
